## Web Developer

📞 +923058880172 @ contact.bilalofficial@gmail.com 🔗 <https://itx-bilal.vercel.app/> 📍 Chichawatni

## ABOUT

Hi, I'm **Bilal**—a passionate web developer with a focus on **full-stack development**. I love building interactive, user-friendly, and functional websites.

Currently, I'm on a journey to master both **frontend** and **backend technologies**, aiming to create seamless digital experiences.

I'm always eager to learn, grow, and take on new challenges in web development!

## RECENT PROJECT

### Foundation Website

🔗 [hammadcommittee.vercel.app](https://hammadcommittee.vercel.app)

Developed a fully responsive and interactive website for the Hamdard Committee Foundation, designed to deliver information and services efficiently to the community.

- **Technologies Used:** React.js, Bootstrap, and Responsive Design principles.
